

CT3043-CHARGE CUP Installation & Usage

- 1 Insert the charge head from the CT3051 Single Position Charger at an angle into the CT3043-CHARGE CUP.

- 2 Snap the charge head into place.

- 3 Align the charging contacts on the CT3043 case with those on the charge head.

- 4 Place the case into the Charge Cup to charge.

- 5 Once the devices are fully charged, pull the Charge Cup from the CT3043 case.
