# NE360C Cradle for Adyen AMS1 Payment Terminal

InVue has released a payment terminal charging cradle for one of Adyen's newest terminals, the AMS1. Our payment cradle can be docked to the NE360C as shown here or can be used as a standalone counter solution using our NE360C cradle counter dock.

Adyen is a large global provider of payment solutions. Along with our support of Verifone and Ingenico terminals, this is a significant product line extension that enables us to support more customers globally to realize their ideal tablet based POS solution.

Adyen AMS1 cradle order code: CT3188

Cradle counter dock order code: CT3020

# Rear Cover for Zebra ET40/45 10in Tablets

InVue now offers a rear cover compatible with Zebra's latest 10in tablets, the ET40 and ET45. Using this cover means customers can effectively install a Zebra ET40 or ET45 10in tablet onto our NE150, NE360C, CT101, CT150 and CT80 tablet stands.

As Zebra promotes these newest tablets into markets InVue services, this product line extension supports our continued partnership with Zebra in opening additional opportunities for our solutions.

InVue order code: CT1512

# Rear Cover for Honeywell EDA10 Tablet

InVue now offers a rear cover compatible with Honeywell's latest 10in tablet, the EDA10. Using this cover means customers can effectively install a Honeywell EDA10 tablet onto our NE150, NE360C, CT101, CT150 and CT80 tablet stands.

As Honeywell promotes these newest tablets into markets InVue services, this product line extension supports our continued partnership with Honeywell in opening additional opportunities for our solutions.

InVue order code: CT1514
